## Mum 'called pal to admit killing son'

A WOMAN admitted killing her severely disabled 10-year-old son in a call to her friend, an inquest heard.

Police discovered the body of Dylan Freeman, who had autism and Cohen syndrome at his home in Acton, west London, on August 16.

The area's Coroner's Court yesterday heard Dylan died after his airways had been restricted by sponge.

His mother and primary carer, Olga Freeman (*above with Dylan*), has been charged with murder.

Senior coroner Chinyere Inyama said doctors had recently prescribed Ms Freeman antidepressant tablets.

Mr Inyama said: "His mother called a friend in the early hours to state to the friend that she killed her son."

He said the mother and her friend went to the police and told them what had happened.

The inquest was adjourned until March.

## Continent free of deadly polio

AFRICA is to be declared free from wild polio.

Polio usually affects children under five and can lead to irreversible paralysis. Death can occur when breathing muscles are affected.

There is no cure but the polio vaccine protects children for life.

The disease is now only found in Afghanistan and Pakistan.

Nigeria is the last African country to be declared free from wild polio, having accounted for more than half of all global cases less than a decade ago. A vaccine acquired polio is treatable.

**WATER SHOCK:**  
Flooding in Wales left cars stranded

## 70mph winds and floods as Francis lashes UK

**STORM** Francis swept across the UK yesterday bringing an end to the glorious summer with strong winds of up to 70mph, heavy rain and flooding.

Flood water entered homes in south Wales, as forecasters warned of widespread travel disruption.

Weather warnings were in place for rain and wind, with the heaviest downpours across Northern Ireland and south-west Scotland.

Around three-and-a-half inches of rain fell – around the average for the entire month of August.

The Met Office said there had been "large" rainfall totals overnight, resulting in a lot of surface water.

A yellow weather warning for wind – covering Wales and the majority of England – remained in place until six of clock this morning.

In Wales, water has flooded homes in Neath, Whitchurch,

Tonyrefail and Llanelli, and emergency services rescued campers near "fast flowing water" in Carmarthenshire.

Firefighters used lines and wading gear to rescue nine people and two dogs from a flooded campsite in St Clears, after river levels rose.

Storm Francis comes on the back of Ellen which struck last week and caused power outages. It marks the first time the Met Office has had two

named storms in August since it started the process in 2015.

Forecasters said the winds were "unusual" for August, but would have to go some way to beat the current record wind gust speed of 87mph recorded at The Needles on the Isle of Wight in August 1996.

No new storm is currently forecast this month, meaning the next storm will begin with A not G, as the storm-naming calendar resets on September 1.

**KILLER RAYS:**  
Heatwave caused an upsurge in deaths

# HOT WEATHER DEADLIER THAN COVID - OFFICIAL

## Excess deaths blamed on heatwave, not virus

By ROY DURRIDGE [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

DEATHS in the UK have risen above average for the first time since mid-June, statistics show – but HOT WEATHER rather than COVID is thought to be behind the rise.

The heatwave experienced during the week ending August 14 is likely to explain the weekly

increase, the Office for National Statistics said.

There were 9,392 deaths from all causes in England and Wales in that week 14 – 447 more deaths compared to the previous week.

This took the number of deaths to 3.4 per cent above the average for this time of year over the past five years – the first time the average has been exceeded since June 12.

Meanwhile, deaths involving coronavirus have been falling.

There were 139 deaths registered in the week ending August 14 that mentioned "novel coronavirus", an 8.6 per cent fall from the 152 deaths in the previous week.

It's the lowest number of weekly deaths involving coronavirus

registered since the week ending March 20, before the lockdown.

Overall, there were 10,580 deaths logged across the UK in the week ending August 14 – 265 deaths higher than the five-year average and 370 more than the previous week.

### Warnings

The ONS said: "The rise in deaths between weeks 32 and 33 coincided with high temperatures in England and Wales, and heatwave warnings were issued by NHS England."

"The increased deaths, and the rise above the five-year average, were likely due to the heatwave; coronavirus did not drive the increase, as deaths involving COVID-19 continued to decrease in week 33."

Seven regions of England had deaths above the five-year average in the week ending August 14, the ONS said.

They were north-east England (11.1 per cent above), the East Midlands (9.9 per cent), London (5.5 per cent), north-west England (5.2 per cent), south-west England (4.3 per cent), eastern England (1.4 per cent) and south-east England (1.3 per cent).

In two regions the number of registered deaths was below the five-year average: the West Midlands (2.1 per cent below) and Yorkshire & Humber (2.2 per cent).

In Wales, the number of deaths registered in the week to August 14 was 9.4 per cent above the five-year average.

## Schoolkids in Scotland face masks

SCOTTISH secondary school pupils will have to wear face coverings in corridors, communal areas and school buses from next Monday.

Education Secretary John Swinney said the new guidance would apply to all pupils aged over 12.

He said the guidance would be updated, based on new advice from the World Health Organization.

There will be no need to wear face coverings in classrooms where social distancing measures are in place.

Mr Swinney (*above*) said exemptions could be granted for health reasons, but the guidance would be "obligatory" for all secondary, special and grant-aided schools.

Teachers' union the Association of School and College Leaders have insisted that once again England dance to the SNP's tune by imposing similar measures south of the border.

## Co-op bank is shedding jobs

THE Co-operative Bank plans to cut around 350 jobs from up and down the country as it closes 18 branches and slashes middle management and head office roles.

The bank said it has not been immune to the effects of recent months, as low interest rates hit the income of all lenders.

More customers are also choosing to bank online and making fewer transactions in branches, chief executive Andrew Best said.

Bosses promised to try to redeploy staff where possible, and will consult with them and the unions.

Rob MacGregor at Unite said that the union is "deeply disappointed" by the decision to cut staff and close branches.

He said: "Unite will continue to press The Co-operative Bank to put strategies in place to secure as many jobs as possible."

## Cruises to sail into next year

LUXURY cruise line Cunard has extended the suspension of sailings for its three ships until next year.

Sailings are cancelled until March 25 for the Queen Elizabeth, until April 18 for the Queen Mary 2 and until May 16 for the Queen Victoria.

Before, the firm had cancelled sailings until November 2020.

It said the decision to extend the suspension is due to COVID advice against cruise travel.

KIT OFF KATE: Star's breast bit in *Spymaker*

**As country loving babe says she 'smells of pig shit', here are her lovely boobs...**

**GORGEOUS** Kate Humble has laughed off suggestions she is a sex symbol, declaring: "I smell of pig shit."

The modest presenter, 51, claims it is only the 'deranged and desperate' who find her attractive and admits her 'wholesome' reputation is undeserved because she is so foul-mouthed.

"I'm now of the age where quite handsome, slightly younger men will come up and say, 'Dad really fancies you,'" she said.

"So maybe I'm a sex symbol for people who are 80 and above and can't really see any more."

#### Amazing

Kate, who hosts the BBC's *Animal Park*, quit the London rat race for a farm in the Wye Valley – where she has three dogs, 20 hens, eight ducks, four pigs and a flock of sheep.

She also runs a business called Humble By Nature, teaching countryside skills.

But there's nothing humble about her amazing boobs, as she

showed in the 1990 movie *Spymaker*.

One fan said: "Kate Humble is the perfect woman. Gorgeous, smiling, lovely boobs."

Kate also revealed why she quit the big city for the country life.

Describing herself a 'fish out of water' in London, she said: "I got to a point where I thought, I can't be here any longer, I'm done."

"I don't want to start my day running down the pavement, then standing on the Tube under somebody's armpit."

## Vicky Shore regrets TV sex

**VICKY Pattison** wishes she'd never had sex on TV.

The former *Geordie Shore* star (right), 32, said: "When you are so immersed in something, lines get blurred. I became me but a caricature of myself."

"Lost in trying to be what I thought everyone wanted us to be: this really outrageous person. I wish I'd never had sex on the telly, like, I absolutely wish."

Land of Hope & Glory at Proms – without words!

THE BBC has risked whipping up a storm after announcing that traditional favourites such as *Land Of Hope And Glory* will be performed WITHOUT lyrics at the Last Night Of The Proms.

The anthems *Rule Britannia!* and *Land Of Hope And Glory* are facing the axe over their perceived association with colonialism and slavery.

Orchestral versions, without vocals, will be performed at the famous concert on September 12.

Father Marcus Walker, rector at Great St Bartholomew's in London, wrote on Twitter: "Hilarious that people are dressing the BBC promising 'orchestral versions' of Land Of Hope And Glory and Rule Britannia as a retreat."

"It's nothing of the sort, it's gutting the songs of their words – of their meaning."

The BBC argues it is "capturing the mood of this unique time and presenting a poignant and inclusive event".

French tit-for-tat will force Brits to quarantine

FRANCE is planning to impose mandatory quarantine on Britons arriving in the country in the coming days.

People who arrived in the UK from France after August 15 are required to self-isolate for 14 days due to rising numbers of coronavirus cases in France.

Now Clement Beaune, France's secretary of state for European Affairs, has suggested those travelling from the UK to France could soon face similar requirements.

He said: "There will be reciprocal measures so that Britons don't close the border in one direction."

"For travellers returning from the UK, there will probably be restrictive measures decided in the next few days by the Prime Minister and by the Defence Council."

for the Instagram snap as she covered her modesty with her arms.

While the sexy snap thrilled the bulk of her 3.4 MILLION Instagram followers, some trolls' minds were in the GUTTER!

A London-based fan, using the pseudonym BlackRat69, slavered: "Bet she loves it up the gary".

Gary is Cockney rhyming slang for anus, as "Gary Glitter" rhymes with "shitter".

Last night a pal of the star said:

"Whether or not Chloe has or has not had her tight anus penetrated by an erect penis and gasped with pleasure as her man unleashed a torrent of hot spunk deep inside her rear privacy while she frantically rubbed her engorged clitoris is, frankly, not the business of the general public."

### Faked

Chloe's sexy snap comes after she ignored speculation she had faked a trip to Ibiza and had instead secretly joined her ex Sam Gowland, 25, in Dubai.

It was recently reported that the couple had got back together

– despite Chloe being in the throes of filming *Celebs Go Dating*.

A source said Chloe and Sam were 'reconnecting' – but fans also connected the dots.

An insider said: "Chloe's taking it really slowly and she's keen to keep it quiet, as her friends will all be furious after all the drama.

"It's a chance for them to reconnect."

The present season of *Celebs Go Dating* signed Chloe up amid what appeared to be the complete end to her and Sam's romance.

# RANDY COP SACKED FOR PATROL CAR ROMPS

SEX TEXTS: PC Ross

A COP who offered to have sex in his patrol car with a woman he met on a dating app has been chucked out of the force.

Former PC Andy Ross, 42, was dismissed after a hearing found he breached professional standards by engaging in sexual conduct and inappropriate behaviour while on duty.

The inquiry heard that the Wiltshire Police officer contacted the woman – known as Ms X – last year after spotting her dating profile online, where she said she "liked uniforms".

He sent a picture of himself

in uniform to prove he was a police officer before using his personal mobile to arrange to meet her.

PC Ross and Ms X then met at around 10pm on June 13 after he drove to her house in a marked car – at her request.

### Kissed

He picked her up before parking up in an isolated location – where they spoke, kissed and hugged.

They also talked about what Ms X would say if anyone spotted her with a police

officer and PC Ross suggested she could say she had lost her dog and he was helping her look for it, the inquiry heard.

Seven weeks later, while on duty, the officer swapped a series of sexual messages with the woman – including suggesting they could have sex in his police car.

He then picked her up from home at 10.54pm on August 6 while on duty in Chippenham, Wiltshire, and drove to an isolated location.

They parked up for 10 minutes and talked, kissed and hugged. He dropped her

off at home at around 11.15pm.

Barrister Alice Meredith, for Wiltshire Police, said the constable's actions had brought discredit on the police service and would have undermined people's confidence in the force.

He was accused of neglecting his responsibilities as a police officer and breaching a specific point in the force's code of conduct stopping officers from engaging in sexual conduct or inappropriate behaviour while on duty.

PC Ross admitted gross misconduct and was dismissed without notice.

Boris to quit over health is 'nonsense'

DOWNING Street was yesterday forced to deny an extraordinary claim that Boris Johnson is planning to QUIT as Prime Minister in six months' time due to his health.

Sir Humphry Wakefield – father-in-law of the PM's top aide Dominic Cummings – is said to have told a holidaymaker who visited his castle in Northumberland that Mr Johnson is still suffering ill effects of coronavirus.

The baronet, 84, likened the PM to a horse made to work while injured, leaving it permanently lame.

But No10 said the claim Mr Johnson would step down was "total nonsense".

Mr Johnson (above) spent more than a week in hospital with coronavirus in early April, including a stint in intensive care.

Many Covid-19 victims report still suffering the lingering effects of its attack on their systems months after leaving hospital or their home sick bed.

Naked OAP, 76, lay on grave in cemetery

A PENSIONER has been fined after he was twice found naked in a GRAVEYARD!

Visitors to Ocklyng Cemetery in Eastbourne, East Sussex, were shocked to see Richard Stofer starkers among headstones.

Stofer, 76, pleaded guilty in July to two counts of outraging public decency in August last year and April this year.

The court was told Stofer was found naked in the cemetery in August 2019 within full view of members of the public.

In April 2020, he was arrested again after he exposed his genitals and buttocks and lay naked on a grave.

Stofer, of Eastbourne, was given a community order, fined £100 and ordered to pay court costs by magistrates sitting at Hastings.

# MAGUIRE TRIAL HEARS ACE TOLD GREEK COPS...

**'Do you know who I am? I am the captain of Manchester United, I am very rich, I can give you money, I can pay you...please let us go'**

By COLIN HURST news@sundaysport.co.uk

**HARRY** Maguire was kicked in the leg by police officers who told him "your career is over", the Manchester United football star's lawyer told a Greek court.

The court had been asked to postpone proceedings following the 27-year-old's arrest – along with two other Britons – over an alleged brawl last Thursday during a family holiday on the island of Mykonos.

But the trial before a judge went ahead – as England manager Gareth Southgate named Maguire in his squad for upcoming Nations League fixtures against Iceland and Denmark.

And the prosecution alleged that once Maguire arrived at a police station, he said: "Do you know who I am? I am the captain of Manchester United, I am very rich, I can give you money, I can pay you, please let us go."

#### Punched

Plain clothes police officers intervened to try to calm the situation, but the "English men" didn't and one of the defendants said "\*\*\*\*, \*\*\*\* the police" and an officer was punched, it was claimed.

Maguire's lawyer, Alexis Anagnostakis, told the court in Syros that two Albanian men approached Maguire's sister Daisy, who fainted immediately after being injected with an unknown substance.

They called for transport and asked to be driven to a hospital, but were instead taken to a police station.

Mr Anagnostakis alleged that when they arrived, Maguire was

kicked in the leg by officers who told him "Your career is over".

Policeman Nikolaos Kolios gave evidence for the prosecution and said two of the defendants ran to get in a van, pushing officers away.

The defence argued they broke away to make a phone call. But the officer said he didn't see them make one.

The court heard one officer received first aid while trying to make an arrest, because Maguire

got angry on realising he was handcuffed and tried to break away.

The officer who handcuffed Maguire said the defendant pushed him hard, causing him to fall backwards and hurt his back.

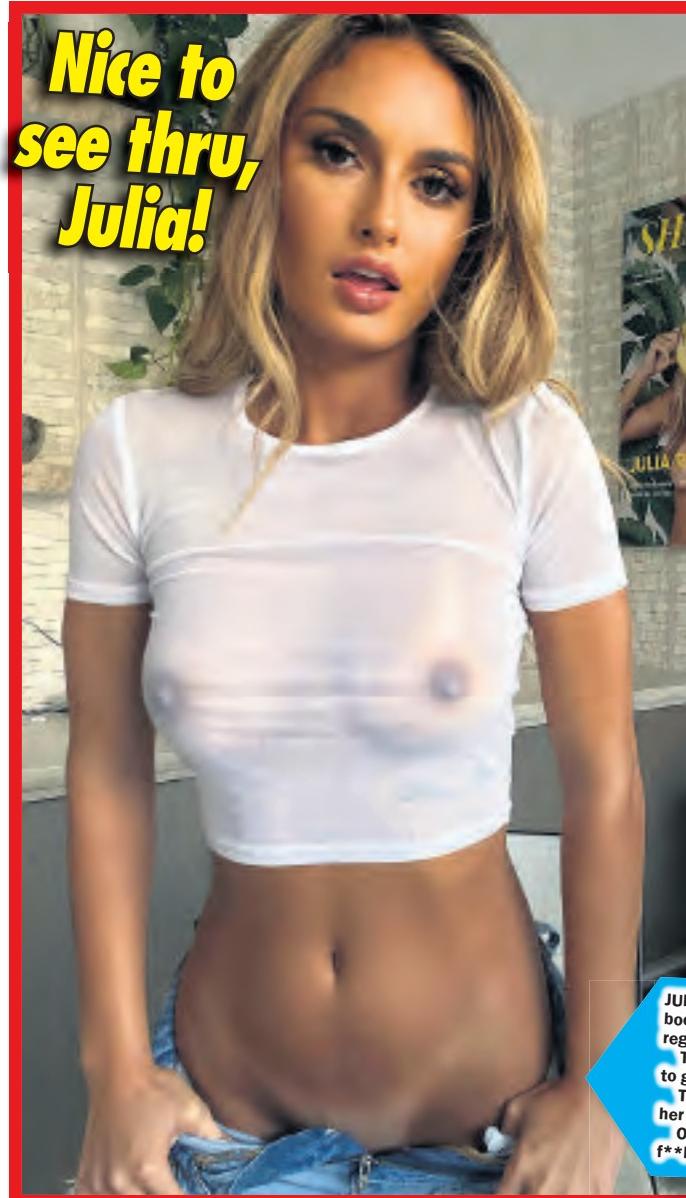

He also suffered a leg injury and was injected with painkillers and had to take the next day off to recover.

Maguire, who was not in court, has already pleaded not guilty to charges of aggravated assault and attempted bribery of an official.

The case continues.

## Sewage plant is named after 'full of crap' comic

A TOWN mocked by Brit comedian John Oliver is taking revenge – by naming the local SEWAGE PLANT after him!

Oliver (above) took the piss out of Danbury, Connecticut, on his HBO show last week – to the fury of Mayor Mark Boughton. And in a Facebook video posted at the weekend, the mayor said: "We are going to rename it the John Oliver Memorial Sewer Plant".

"Why? Because it's full of crap just like you, John."

The move comes after the August 16 episode of *Last Week Tonight with John Oliver* – in which the host explored the racial disparities in the jury selection process, citing problems in a few Connecticut towns.

He then randomly brought up Danbury, saying: "If you are going to forget a town in Connecticut, why not forget Danbury because – and this is true – f\*\*k Danbury.

"Danbury Connecticut can eat my whole ass."

A NURSE who wanked himself off and spanked over a female patient has been found guilty of misconduct.

The 33-year-old nurse said the patient initiated the sexual activity and that he "couldn't do anything" to stop it.

A Health Practitioners Disciplinary Tribunal in New Zealand found he was guilty of misconduct by masturbating over the woman, but said she was the one to hug him and to place his hands on her breast and genitals.

They accepted his evidence that he pulled away from her as quickly as possible, before going on to perform the indecent act.

The woman was in hospital to detox from drugs and alcohol.

The tribunal has yet to announce what penalty the nurse faces.

A WOMAN allegedly beat her father after becoming incensed by his FARTING.

Nicole Dozois, 40, was arrested after neighbours reported a violent disturbance at her home.

Cops were called to the property just after 2am when Dozois reportedly became 'angry' with her father, Michael Dozois, 'due to his flatulence' while she was trying to sleep.

According to police, Dozois and her 59-year-old father share a bedroom inside the home.

What began as a heated verbal argument between the pair allegedly quickly turned physical.

Nicole Dozois then reportedly punched her father 'numerous times' in the face, according to an affidavit.

#### Scratches

The attack left the victim with a bloodied left eye and scratches all over his neck.

Dozois was arrested at the scene in North Largo, near Tampa Bay, Florida, and detained on charges of domestic battery.

She was booked into the Pinellas County jail and later released on bail.

The footage features stars such as Sir Elton John, Status Quo, Elvis Presley, Sir Rod Stewart, Mungo Jerry, 10cc, Roxy Music and Canned Heat.

The shows had been thought lost after the BBC got rid of parts of its archive.

The performances were preserved by a Welsh music fan, who used a Sony CV-2000 to record them from his TV.

The tapes, along with DVD digital back-ups, will go under the hammer at Omega Auctions, of Newton-le-Willows, Merseyside, on September 8.

Amy's keen on LGBT couples for Love Island

**LOVE** Island's Amy Hart has said that the show should include same-sex couples.

In an interview, Amy (above), 27, was asked if she felt the ITV dating series should follow in the footsteps of *Dancing on Ice*, which featured a same-sex couple earlier this year.

While she supports the idea, she does question if having same-sex couples would work with the show's format, adding: "I think it would be brilliant, but maybe it's its own show."

"With *Love Island*, it's a numbers game, you have five initial couples and you have your bombshells."

**Rude**

While some commentators were highly complimentary about the high-profile ITV star, some were typically caustic – and others even downright rude.

*Mail Online* commenter "onlyonesteve", from Farnham, Surrey, even questioned Holly's grooming habits.

He wrote: "wonder how she hides that 70's bush she has."

"Bored Millionaire" in London quipped: "A truly beautiful woman. I sometimes picture her when I'm in bed with my wife."

While "Billy Whizz", allegedly of Beanotown, Vatican, posted: "I'd

love to give them a motorboating (sic)."

One interpretation of "motorboating" on the online Urban Dictionary is "the placement of one's face, specifically the mouth, into the area between a well-endowed

woman's breasts, followed by a rapid shaking of the face in a side-to-side motion accompanied by yelling."

"The resulting sound that is created sounds similar to an outboard boat motor."

**App boost to ease asthma**

A SMARTPHONE app which measures the night-time coughing of those with asthma could help predict when symptoms are getting worse, research suggests.

The study saw asthma patients sleep with a smartphone in their bedroom for 29 days with the app running in order to measure the noise of coughing during the night.

Swiss medic Dr Frank Rassouli said: "Our results suggest night-time coughing can be measured simply with a smartphone app and that an increase in coughing at night is an indicator that asthma is deteriorating and we can adjust medication."

**HOSE THE GUY ON CAR WASH CCTV?**

A MYSTERY bather gave a car wash owner more trouble than he wanted.

The man was caught on CCTV completely stripped down for the full body wash.

A second person was seen washing him down with a high-pressure hose.

The prankster didn't make a clean getaway, with the startled owner of Parklands Car and Dog Wash on the Sunshine Coast in Queensland, Australia, posting the bizarre security footage on Facebook.

The owner said he was worried about the person's health, due to the chemicals used in the products.

A Facebook post read: "We even had a man vs machine incident on Saturday night!"

"Thanks for your patronage and hope you make a speedy recovery."

## Fears as COVID outbreak hits nudist resort

**THE most famous nudist colony in Europe has reported a "very worrying" outbreak of coronavirus.**

Managers of the Cap d'Agde resort in France admit that so-called "barrier gestures" are all but impossible among naturists.

But these ladies are bravely taking the risks –

By GRACE HOOPER  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

and talking off their clothes – to take advantage of these last days of summer.

Rates of infection are now four times that of nearby communities, with 100 holidaymakers so far testing positive for the killer virus.

It has led to an emergency announcement by officials

from the department which covers Cap d'Agde, on the Mediterranean coast near Montpellier.

A spokesman for the Hérault Prefecture said: "We are in an alarming situation.

"Therefore, we ask that all the people of the village be tested before leaving the place and going elsewhere.

"And we also ask all the people who wish to come

to this naturist village to postpone their arrival."

At least two infected people work at prestigious hotels in the Cap d'Agde, said the Prefecture spokesman, who added that the figures were "very worrying".

The naturist beach at Cap d'Agde is around one mile long. It is bordered by restaurants and bars and attracts around 35,000 nudists a year.

## TEEN YOBS PUT LIPSTICK ON PONY

SHOCK: Jimmy

LOUTS broke into a petting zoo and abused animals by riding donkeys and putting lipstick on a pony.

The teenage yobs fled when the owner chased them off after seeing images of their antics on social media.

Farmer Jimmy Abma received a message on his phone showing a girl riding a miniature donkey.

He recognised the animal, which he confirmed to be his after seeing that the Snapchat image also had the caption 'Abma's Farm' attached.

He also grew concerned since the miniature donkeys are not big

enough to support the weight of a teenager.

He said: "Obviously, we're closed, so that raised a concern to me right off the bat, that there's people trespassing, and the animals were in danger."

Abma, who lives on his farm in Wyckoff, New Jersey, said he immediately ran outside and chased off at least half a dozen youngsters off of his property, which includes a barnyard petting zoo and a shop.

He was shocked to discover that the gates to the petting zoo were

open and some of the animals had been traumatized – and one pony had lipstick spread on its face.

He said: "A couple of the animals you couldn't even get close to. They were all skittish. They were all jumping around."

"We did a full count and we're still trying to account for all of them."

"At the end of the day, this is our house, this is our yard, this is our livelihood."

Law enforcement officials said investigators know the individuals involved.

## Teens find jar stuffed full of old gold coins

TWO teenagers on their summer break unearthed a clay jar filled with hundreds of gold coins that had lain undisturbed for more than 1,100 years.

The 18-year-olds were volunteering at an archaeological dig near the city of Yavne, Israel, when they made the "extremely rare" find of 425 complete gold coins, the Israel Antiquities Authority said in a statement.

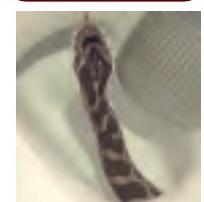

Oz Cohen, one of teens who made the discovery, said: "It was amazing. I dug in the ground and, when I excavated the soil, saw what looked like very thin leaves. When I looked again, I saw these were gold coins."

The coins – which are made of pure 24-carat gold and weigh more than two pounds – date back to the end of the 9th century, when the Islamic Abbasid Caliphate controlled most of the Near East and North Africa, the IAA said.

Finding such a trove is extremely rare, since gold was often melted down and reused by later civilizations, the experts said.

## Man scared shitless by snake in loo

A MAN'S trip to the bog turned into a nightmare after a SNAKE slithered right out of his toilet.

The video was posted online by a man who claimed his friend had recorded the scene.

He wrote alongside the post: "I always thought this was an irrational fear of mine...apparently not."

The footage shows the mottled serpent creeping out of the bowl while the Texas-based videographer coaxes it along with a golf club.

However, isn't the first time a snake has popped up in someone's shitter.

In January, a Thai woman's worst fears came true after she was bitten by a snake while sitting on the throne.

# TORTURED TO DEATH... FOR FUN!

**NO-ONE knows for sure why Chris Newsom and his lover Channon Christian were the target of such sickening violence.**

Gang leader and ex-con Lemaricus Davidson certainly had no motive for the extreme pain and suffering he and his cronies inflicted on the pair.

For a while, many thought Chris and Channon's murders had been a hate crime. After all, a young, white, all-American couple had been slaughtered by a group of black men.

By BRAD CHADWICK  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

But the truth is even more disturbing – they killed purely for the FUN of it.

Chris, 23, was a carpenter with a promising future. He was also a decent baseball player with many friends and a loving family.

Channon, two years his junior, was a student and cheerleader at the University of Tennessee, working two jobs while living at home with her parents.

They'd been dating for around a month and were on their way to

a party in Knoxville on the night of January 7, 2007.

#### Dreams

And according to friends, they had fallen head over heels in love with each other.

Having just got in Channon's car together, Chris leaned in for a kiss, presumably dreaming of how they'd end the night together in each other's arms.

But those dreams were shattered when Davidson and his accomplices – Letalvis Cobbins, George Thomas and Eric Boyd – pounced.

The terrified couple were driven three miles to Davidson's home on Chipman Street.

They then spent the next few hours being raped, tortured and, finally, executed.

The details of the injuries suffered by Chris and Channon rocked America.

It's only natural, then, that Channon's father feels pure, undiluted hatred for the men who committed such depravity to his beautiful, blonde-haired, blue-eyed daughter.

When Davidson was handed a death sentence in October 2009, Gary Christian looked him dead in the eye and said: "A parent is never supposed to bury a child."

"No-one should ever have to see the evil that is in my head. Every

the gun against his head above his right ear.

"It severed his brain stem, causing instant death.

"He was placed on his back, wrapped in a blanket and set on fire."

Channon's injuries are just as hard to stomach.

Dr Mileusnic Polchan revealed: "The membrane that connects Channon's lip to her gum was torn and she had bruising and abrasions around her mouth."

#### Damage

These injuries occurred hours before her death and were caused by an object being forced into her mouth.

"Her genital area suffered tremendous damage. The depth and extent of her injuries suggest they were caused by a blunt object."

"She had bruises on the backs of both arms, bruising on both sides of the top of her head with extensive haemorrhaging, bruises to the front of her legs, deep bruising to her

they quickly combed it for evidence. They found a fingerprint on the can lid and saw the back of an envelope.

It matched that of Davidson, who'd been in out of prison for years for aggravated robbery, carjacking and drug dealing.

He repeatedly denied any wrongdoing.

He said he was aware his friends had taken hostages as part of a car-jacking but he had no clue what happened to the victims.

But this sick individual, just 25 at the time of the killings, knew all too well what had happened – because he'd been the one who instigated the entire thing.

Davidson's DNA was found on Channon's body and on her jeans. His fingerprints were also found on three of the five plastic bin bags that contained Channon's body.

Sgt Debow said: "When I entered the kitchen, I saw in the far corner a large trash can that was oddly shaped, like it was over-stuffed.

"I looked at my colleague, Lieutenant Fortner, and pointed at the trash can.

The third bullet was damaged but presumed to be from the same gun.

When the whole sorry

brought my weapon up, flipped open the trash can lid and saw the victim."

By January 11, Davidson had been arrested and taken in for questioning.

He claimed he

should be shown mercy. But Davidson had been taken from his biological parents and rehomed with a loving foster family.

He'd gone to a private school, attended church and excelled at sports.

He was bright and well adjusted.

#### Convicted

As judge Richard Baumgartner summed up: "Lemaricus Davidson had an active and prominent role in the commission of the crimes for which he was convicted.

"He did not co-operate with the authorities and took no responsibility for the crimes, preferring to blame others. He showed no remorse.

"Besides kidnapping, robbing, raping and murdering Chris Newsom, Mr Davidson stole his victim's shoes

and wore them until he was arrested.

"After killing Chris, Mr Davidson tried to contact his girlfriend by using Chris's cellphone.

"After kidnapping, robbing, and raping Channon, Mr Davidson drove her vehicle and gave her clothes to his girlfriend.

"Chris and Channon suffered physically and emotionally before their deaths – and both likely knew that Mr Davidson would murder them.

"There was very little proof that Mr Davidson could be rehabilitated."

Eric Boyd was convicted in a federal court of accessory to a fatal carjacking and sentenced to 18 years in prison.

Letalvis Cobbins and George Thomas were both sentenced to life without parole.

Vanessa Coleman, who was just 18 at the time of the slayings, insisted she was also a victim of the violent, domineering men, but was sentenced to 53 years in prison.

## Hunt for serial sex killer who has murdered 100 women

By COLIN HURST news@sundaysport.co.uk

**A SERIAL killer feared to have raped and murdered more than 100 women is still at large EIGHT YEARS after fleeing from cops.**

Valery Andreev, 63, tops Interpol's wanted list for crimes against women and is now "on the run" in a large Siberian region of Russia.

People in Krasnoyarsk region have been told the lorry driver has been spotted and warned that he is considered one of Russia's 10 most dangerous men.

Police say they have "proof" of eight cases where women were raped and murdered by Andreev (above).

But he is suspected of being responsible for the disappearance of more than 100 missing women in the decade between 2006 and 2016.

#### Victims

All of the women disappeared in 2012. Another is Irina Nikolskaya, aged 25 when she went missing in Kazakhstan.

It makes Andreev Russia's worst-ever serial killer, exceeding ex-policeman Mikhail Popkov – known as The Werewolf – who was convicted of 81 murders in Siberia and confessed to another two.

Andreev is nicknamed the "Orsk Maniac" after his home city.

Among his suspected

victims are Ekaterina Morozova, who was 19

when she disappeared in 2012. Another is Irina Nikolskaya, aged 25 when she went missing in Kazakhstan.

Two other suspected victims were named as Olga Zhuravleva and Arzhan Urkumbayeva.

Andreev has been on the run since 2013 when he was put on Russia's federal wanted list.

A reward of £17,000 has been offered for information leading to his arrest.

A blunder allowed Andreev to escape after he was detained and interrogated by police.

## JUSTIN DUNN'S ROOM 101

**WHAT'S ANNOYING HIM THIS WEEK?**

# Time for a full stop to illiterate twaddle!

**THE list of Things You're Not Allowed To Say grows longer by the minute.**

But by far and away the best one yet is about how to do text talk.

Believe it or not, kids are now saying that the use of a full stop in a text or social media message is apparently "blunt" and "cruel".

Linguist Dr. Lauren Fonteyn, of Leiden University in Holland, tweeted: "If you send a text message without a full stop, it's already obvious that you've concluded the message.

"So if you add that additional marker for completion, they will read something into it and it tends to be a falling intonation or negative tone."

Note, though, that she uses full stops in her tweet...

Some idiot replied to her to say that using a full stop signified "an abrupt or angry tone of voice".

And then there's Professor David Crystal, apparently one of the world's leading language experts, who argues that the usage of full stops is being "revised in a really fundamental way".

### Angry

In his book, *Making a Point*, he says that the punctuation mark has become an "emotion marker" which alerts the recipient that the sender is angry or annoyed.

He wrote: "You look at the internet or any instant messaging exchange – anything that is a fast dialogue taking place.

"People simply do not put full stops in, unless they want to make a point.

"The full stop is now being used in those circumstances as an emotion marker."

Have these people lost their minds?

A full stop literally signifies the end of a sentence. That's it.

If Generation Snowflake can't be arsed to work out how to use their mobile phone keyboard properly, that's more their concern than mine.

But imagine being sat sifting through job applications, and some

little berk who can't even shave properly has sent you a letter written in text speak.

No commas, no full stops, emojis scattered everywhere.

Maybe a LOL or – even worse – some other inexplicable set of letters set out to identify them as something or other.

Bear in the mind this is the same generation who have spent the last ten days weeping over results for exams they didn't even sit.

If they had, and I'd been marking them, anyone who didn't at least try to correctly use punctuation would have been given an instant disqualification.

And no doubt I'd probably have ended up in court for being an overly aggressive grammar Nazi for daring to demand that kids can spell.

It's bad enough that children think they can dictate the way life is meant to be through the dazzling medium of TikTok or Snapchat.

But it's dreadful that these "linguist" experts feel the need to bend over backwards to indulge them.

Does no one ever say "no, you're wrong" to kids any more?

Or are they terrified they'll hear the dreaded "I know my rights" crap squeak from the spotty mouth of their teen?

You can't ban full stops – because the English language bloody well needs them.

Start and stop sentences separate us from sounding like a blackbird, or Stacey Solomon.

Don't diss the full stop, you illiterate little turds.

Just learn English instead.

## Cop's wife roasted to death in a police car

A COP'S wife died after getting trapped inside her hubby's police car as the temperature soared over 90F.

Clara Paulino's fingerprints were found all over the interior of the Ford Explorer following the horrifying incident outside their home.

Paulino, 56, had apparently climbed into the back seat while looking for something, then got trapped there by the latching mechanism, which prevents it from being opened from the inside.

She wasn't carrying a mobile phone and a safety partition prevented her from reaching over the front seat to honk the horn for help.

"It's literally a cage," one cop said of the patrol vehicle's rear seat.

Paulino's husband, Aristides Paulino, who's been a cop in Miami, Florida, for 25 years, was asleep in their home following a midnight shift when the tragedy unfolded.

Aristides, 58, and the couple's son found Clara's body around 5.30pm – as many as four-and-a-half hours after she got trapped.

Investigators were treating Clara's death as an accident but it is under investigation by the Miami-Dade Police.

A MAN was arrested after he got into a fight with someone on a beach – while stark bollock NAKED.

As Calvis Robinson, 37, got out of the water in the buff, he approached a child, whose parent swiftly stepped in, say police.

Robinson (above) kicked the victim and threw him to the ground, pounced on him and bit him on the knee.

Cops were summoned and Robinson, of Moncks Corner, South Carolina, was charged with indecent exposure and assault and battery.

He is being held in the local nick pending a court appearance.

# NOW THAT'S A BUST-UP!

**FORMER *Charmed* co-stars Alyssa Milano and Rose McGowan are caught up in an ugly Twitter BUST-UP that started over politics – and quickly became very personal.**

The war of words began when Rose blasted the Democratic party on social media.

"What have the Democrats done to solve ANYTHING? Help the poor? No. Help black & brown people? No. Stop police brutality? No. Help children? No. You have achieved nothing. NOTHING. Why did people vote Trump? Because of you mother\*\*kers," she wrote.

Sexy Alyssa responded with more than 20 tweets of the party's accomplishments. She also suggested McGowan, who became one of the most prominent voices of the #MeToo movement, was a "fraud".

"Rose and anyone bleating the same 'dEmOcRaTs DoNT HeLp PeOpLe' nonsense, your lies are going to hurt people less privileged than you. It's the kind of thing an ACTUAL fraud would do," Alyssatweeted.

McGowan then unleashed a tirade of insults over their time on the '90s TV drama.

"I cried every time we got renewed because you made that set toxic AF. Now, get off my coattails you f-king fraud," Rose wrote.

## President's helper quits uni post after sex claims

# TRUMP PAL 'LIKED TO WATCH'

**ALLIES: Trump with Jerry Falwell and (right) Becki**

A FAMED evangelical Christian and Donald Trump supporter repeatedly watched a 20-year-old pool boy have sex with his wife, it is claimed.

Jerry Falwell Jr, 58, is said to have invited Giancarlo Granda to have sex with his 53-year-old wife Becki.

The Falwells – who run Liberty University in Virginia – reportedly picked up Granda at a Miami Beach hotel in March 2012, with the alleged cuckolding continuing until 2018.

Jerry Falwell has now quit his role at the uni.

"Becki and I developed an intimate relationship while Jerry enjoyed watching from the corner of the room," Granda said.

The group sex sessions are said to have taken place 'multiple

times a year' at hotels in New York and Miami, as well as at the Falwells' home in Virginia.

Granda says that while he entered into sex with the Falwells consensually, he now feels the couple preyed on him inappropriately.

Jerry Falwell has admitted his wife's affair with Granda, but denied claims he'd also got in on the action.

The couple helped Granda buy a Miami Beach youth hostel in

2013. But their arrangement began to fray earlier this year, culminating in an exchange of angry texts which saw Jerry Falwell accuse Granda of trying to 'extort' him.

Falwell's support for Donald Trump – which served to placate religious conservatives uneasy about the businessman's three marriages and rumoured extramarital affairs – helped him win the Republican presidential nomination in 2016.

# THE WORLD FAMOUS AGONY Page

Dear Dani,

I'M a 23-year-old bloke and my girlfriend is twice my age.

She's a bubbly blonde divorcee who still has a cracking body and she looks a lot younger than her age.

I met her in a pub six months ago and on the first date I invited her back to my place and we had an amazing shag.

She loves sucking my cock and we shag in loads of positions. Occasionally, she even lets me slip it up her bumhole, too!

But my parents are giving me a lot of grief about her. They think I should be going out with a girl my own age.

Are they right?

CF, Tyneside

Dani says...  
YOU'RE plenty old enough to decide who you see.

Dear Dani,

FOR the last six months I've been letting men film me having sex with them for £30.

I'm a 31-year-old single blonde mum with two kids and virtually everyone down at my local pub has had me.

The first time I did it was with my neighbour, who is 52. He stripped me before making me suck his cock.

He then f\*\*\*ed me in both holes and was telling me that I'm a dirty slut that needs punishing as he pounded into me.

It turned me on and, to be honest, the money is just a bonus.

I've done everything. I've been tied up, spanked, wanked on, f\*\*\*ed, I've spanked punters and given blowjobs.

I just can't get enough. What can I do?

LH, Essex

Dani says...  
JUST lie back and think about all that money you're making.

## I've no chance of matching wife's nine-inch sex toy

Dear Dani,

I GOT a shock the other week when I came home from work to find the missus spreadeagled on the bed.

Her glistening fanny was filled with the biggest vibrator I'd ever seen.

She was oblivious to me as I watched her from just outside the doorway.

The dirty old cow was plunging this fearsome device in and out of her snatch.

It was at least nine inches long, with pronounced ribs and "veins" on it.

It was certainly hitting the spot as my wife arched her back and cried out with pleasure.

I didn't know whether to speak or not and finally decided to just sneak back downstairs and call a cheery welcome – as if I'd just come in and put the kettle on.

When my wife appeared, somewhat flushed I have to say, I asked what she'd been up to.

She claimed she'd just been catching up on a bit of dusting.

I don't think I'll ever match up to that great veined throbbing.

What can I do?

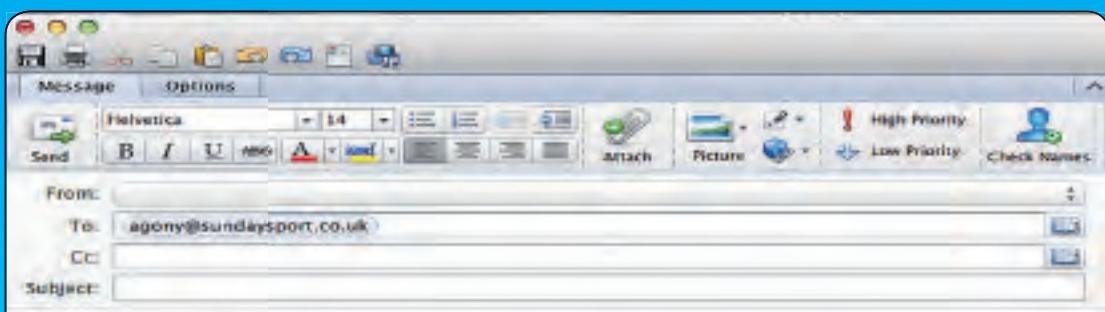

TB, east Midlands

Dani says...

TELL her what you saw and ask if you can use it on her – before giving her one yourself!

# Sneaky sex vid led to swinging session

**Dear Dani,**

**I FIND myself in a dilemma after I'd been caught shagging my neighbour's wife.**

She loves me to f\*\*k her while I'm wearing her bra and knickers – and I get a kick out of it as well.

One night, her hubby invited me and my wife round for a few drinks.

He put a film clip on his laptop. To my horror, it showed me and his missus in bed a couple of days earlier.

He had been hiding in the wardrobe to film me banging his wife while dressed in her lingerie.

But I got an even bigger surprise when I glanced at my wife. She didn't seem at all shocked – even as she saw her neighbour insert a small vibrator up my arse while I screwed her.

I felt sure she'd kick off big-style, but instead she just wanted to know why she had not been invited to take part in our sex games.

We all got pissed, and the upshot was that we decided to indulge in some partner-swapping.

My wife was soon stripped to her briefs, through which you could see her damp and hairy minge.

## Banging

Before I knew it both my neighbours were on her, with the woman licking out my missus as she sucked on the bloke's fat prick.

When he'd shot his hot spunk over her face, I got my dick in her gob and she sucked me off while the neighbour's wife licked my balls and bumhole.

As this was going on, the neighbour was banging away at my missus.

Then they told me to dress up in my

wife's undies and get it on with the wife, just like on the sex film clip.

My neighbour began filming my wife thrusting a vibrator up her juicy twat.

I spanked over the neighbour's tits and my wife licked it up.

We indulged in all sorts of sexual cravings. It was a great night and we're planning to do it again.

But I fear this sexual awakening has radically altered my wife's thinking, because she now wants me to wear lingerie under my ordinary clothes.

I've refused. But she keeps persisting and has even gone as far as accusing me of being unreasonable.

What do you say?

AP, Somerset

**Dani says...**

**YOUR wife is feeling liberated... but she is being unreasonable.**

**Dear Dani,**

**MY missus has turned into a slave driver – both inside and outside the bedroom. I'm unemployed, so she leaves me a list of duties to do during the day while she's at her office job earning money.**

**She also gives me sexual "duties" to perform, both before and after work.**

**For instance, I get up at 6.30am and wake her by giving her oral sex.**

**This always starts with me fondling her vagina before going to work on her clitoris with my tongue until she orgasms.**

**Then I run her a bath, help her into her work clothes and even polish and put her shoes on her feet.**

**When she comes home, I take off all her clothes and serve her a meal.**

**Once she's finished, I have to strip off and lie on the floor at the foot of her chair and she uses my back as a foot stool while watching her favourite soap on the box.**

**I have to finger her during the adverts, then I lie on my back while she massages my cock with her feet.**

**To be honest, I'm a bit knackered and fed up.**

**It would be heaven just to be left alone to watch a bit of sport on the telly in peace.**

**Any suggestions?**

FROM

**F**MY kinks can change from week to week...right now I'm craving some lesbian action! I've been with women before but not for a while and I've been watching a lot of girl-on-girl porn more lately. I've got a thing for curvy tattooed milfs – blonde or brunette, as long as they look naughty and filthy! Big boobs are so hot, and being large chested myself I love to feel a big pair of titties rubbing or banging against my own. A girl going down on you is amazing as they know exactly what they're doing. I also love getting a strap-on dildo on and having an glimpse into what it feels like as a bloke doing the thrusting and being domineering. A strap-on that gives me clitoral stimulation through a vibrator drives me crazy. Right, I've made up my mind – I'm getting myself on Tinder now and pulling me a wild milf!

## # HOT 'N' HORNY

**A**RCHERY ace Nikita Valentin has plenty of strings to her bow...

But she always hits the bullseye when it comes to SEX!

The 24-year-old blonde bombshell has a kinky fantasy about bonking a complete stranger – and loves the idea that it's all about the orgasm.

Slovakian saucepot Nikita, who boasts 34DD norts, said: "It sounds slutty, but the idea of sex with a stranger really turns me on.

"There are some nutters around, so I wouldn't make a regular habit of it.

"But I fantasise about sex with a stranger. It feels so erotic, there's no emotion or pressures of 'where's this going' ... it's just all about the climaxing!"

## ADRIANA

POSTIE Aaron Price has recently split from his girlfriend but Czech-born beauty Adriana is satisfying his needs now.

And Aaron, 32, from Carlisle, says it's like nothing's changed because the 36-year-old babe is a dead-ringer for his former flame.

He said: "She looks just like my ex – blonde, cute and with lovely big, pink nipples on her 32B rack."

"I've got tons of pictures of Adriana, she's even the display picture on my laptop. There's just something about her that drives me crazy."

## SYDNEY JAMES

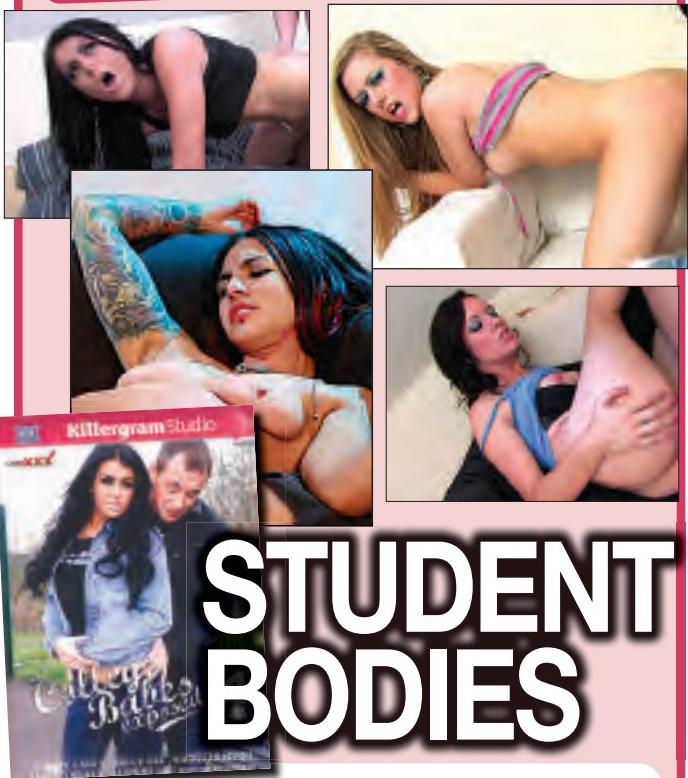

TRUCKER Nick Farnworth wants an express delivery of Brighton born beauty Sydney James.

STAYER:  
Pogba

## Pogba's Red end on hold with new deal

By JOHN ANTHONY

PAUL Pogba wants to stay at Manchester United and could even sign a new long-term contract in the coming weeks.

The Frenchman has been tipped to leave Old Trafford for the past year or more but it appears that Ole Gunnar Solskjaer has won his enigmatic midfield over.

It seems that the improvement in form of United in the closing weeks of the season has instilled new belief in Pogba. And he has a partner in crime now that another classy middle man in Bruno Fernandes has turned up the heat at the club.

United were just about the strongest side in the Premier League after restart and stormed up the table to clinch a Champions League spot that looked almost impossible at Christmas.

It also helps that Real Madrid have gone off the boil and would be reluctant to splash out big money on Pogba.

And it's a similar story at Juventus where money has become tight thanks to the Corona shutdown and they are even talking about letting Cristiano Ronaldo leave to get him off their wage bill.

So United appears to be the best option for Pogba.

And boss Solskjaer couldn't be happier with the Frenchman.

He said: "We have had many chats and I

IMPACT: Bruno Fernandes

know exactly what Paul is thinking. I can give him a new challenge."

United are looking to make a big push for the Premier League title next season and their recent form suggests they will be real challengers for Liverpool's crown.

A key part of Pogba

deciding to stay is the promise of big-name signings to bolster a sometimes thin squad.

Jadon Sancho still expects to be wearing a red shirt next season and will sign once United come up with a fee close to Borussia Dortmund's demands.

Going the other way looks to be Chris Smalling.

AS Roma have stopped pretending they don't want him back and are willing to cough up £15m for a player who established himself as one of the top defenders in Serie A while on loan in the Italian capital last season.

## Double deal for Thiago Silva and Chilwell

By PAUL THOMAS

with these days is pace and he doesn't look a natural fit for the rough and tumble of the Premier League.

And Chelsea fans may not be thrilled to see young stopper Fikayo Tomori pushed out on loan next season.

The 22-year-old did well in the first half of last season but hasn't been seen since lockdown.

As for Chilwell, he has been having medical checks before a £50m switch from the King Power Stadium.

The 23-year-old missed the final month of last season with a heel injury.

Chelsea are worried about

that being a long-term issue and want extra checks before signing the cheque.

Lampard is desperate for a quality left-back and Chilwell would be a top addition to the Bridge squad.

Emerson Palmieri played in that position for much of last season with little success.

### Heel

The Brazilian has been linked with a move to Inter Milan but that could be on hold if Antonio Conte gets the boot after losing the Europa League final.

The Chilwell deal depends on what the doctor says about his heel. If it's going to force

him out for a couple of months, the Blues may wait until January to get the deal done.

Once Lampard has sorted out his leaky back end he can look to the attack and get Kai Havertz's move from Bayer Leverkusen over the line.

Thanks to getting Thiago Silva on a free he has £90m to spend on the German.

Chelsea will put around £70m on the table with the rest linked to Havertz's performance over the next couple of seasons.

With money tight, the Germans are likely to accept those terms and the 21-year-old should arrive in time for the big kick-off. He joins Hakim Ziyech who has arrived from Ajax.

# Liverpool huge price to Kop their second title

ALL SMILES:  
Jurgen Klopp

**THE Premier League is back next month, and I think it is time to look at the antepost markets for the forthcoming season.**

There are many who feel that Liverpool's Premier League domination will be compromised by the fact that there is unlikely to be capacity crowds for the foreseeable future and that the Reds long unbeaten home record will crumble without their excellent support and the intimidation factor at Anfield.

I don't think the winners will get anywhere near 100 points this term and Manchester City will certainly get closer to the Reds next year, but there is no way that Liverpool should be as big as 15/8 to retain their title as they currently are with Betway.

City have signed Nathan Ake for an inflated £41m but he is a left sided central defender similar to Aymeric Laporte and I am convinced his transfer to the Etihad did not give Jurgen Klopp too many sleepless nights.

They are likely to strengthen their squad again between now and the end of the transfer window, but Liverpool are unlikely to let the grass grow under their feet with Thiago Alcantara likely to sign on at Anfield this summer.

City are a best priced 21/20 to regain the title with Unibet

**CharlieMcCann.co.uk**  
TIPS, NEWS AND BETTING OFFERS

and I think the prices are correct, but the teams are the wrong way around.

Liverpool should be circa Evens and City about 2/1. The discrepancy is daft especially when you consider that City once again came up short in the Champions League and will no doubt consider that competition the Holy Grail.

If you think the title is a two-horse race – I think it is a one-horse contest – then

you might be enticed by the 8/13 with William Hill for Liverpool in the market without Manchester City.

Manchester United – best priced 12s at Betway – will have their supporters especially if Jadon Sancho makes the switch from Borussia Dortmund but they, too, came up short when it mattered in Europe recently and they are not yet the finished article.

There are plenty of

ordinary teams in the division again next season, but I am surprised to see Everton odds against – 21/20 with betway – to finish the season in the bottom half.

The Blues have more dead wood in their ranks than the cast of Hollyoaks and Carlo Ancelotti will have to trim the wage bill before adding to his playing roster.

The Blues finished 12th six points from a top ten finish last term and nothing has convinced me this summer that they can arrest that slump this term.

Indeed Everton – it pains me to say it – are too big at 25/1 with William Hill to be relegated. Goodison Park is always something of a fortress when the Blues are at the top of their game, but they will not have that home support when the going gets tough and they finished the last campaign poorly with just one point from their last two home games against Aston Villa and Bournemouth.

Mohamed Salah is a best priced 6/1 with William Hill to regain his Golden Boot title – each way terms ¼ odds first 4 – and the Egyptian has got every chance but I just favour Harry Kane who finished the season strongly, is never rested, takes penalties and free kicks and he just gets the vote ahead of the Egyptian.

Kane is 6/1 with several firms including Betfred and BetVictor.

## UTILITY MAN NILES GOES FOR PILES TO WOLVES

By ANDY MILLOM

WOLVES are kicking off their transfer spree with a deal for Ashley Maitland-Niles from Arsenal – and he could be the first of a big trio of deals.

The 22-year-old is an eyecatching buy for the Molineux Men who have attracted him away from the Gunners with the promise of more first-team football.

He will cost boss Nuno Espirito Santo around £20m but is seen as an asset because he can play in midfield or either full-back position.

Arsenal gaffer Mikel Arteta has been trying to persuade the homegrown Maitland-Niles to stay but appears to have lost the battle.

He was in and out of the team last season but featured in the FA Cup final win over Chelsea.

And reports in Portugal suggest Sporting Lisbon midfielder Joao Palhinha and Braga striker Paulinha could be on their way to the West Midlands.

The former has been on loan at Braga and both players made a big impression when Wolves faced them in the Europa League.

### Talks

Palhinha has been left at home as Sporting Portugal have headed off for their pre-season training camp.

Wolves have yet to open talks but Nuno is thought to be interested in both players as he tries to grow his squad.

They managed just two wins in the final six games of the Premier League season to miss out on a Europa League spot on goal difference to Tottenham.

And the fact they had been on the go for more than 12 months with a relatively small squad was a major factor.

Meanwhile, midfielder Morgan Gibbs-White

looks set for a season on loan at Swansea City in the Championship.

He has struggled to hold down a place in the side since Wolves made it back into the big time.

The 20-year-old has started 21 games over the past three seasons and links up with his England under-17 World Cup winning boss Steve Cooper in South Wales.

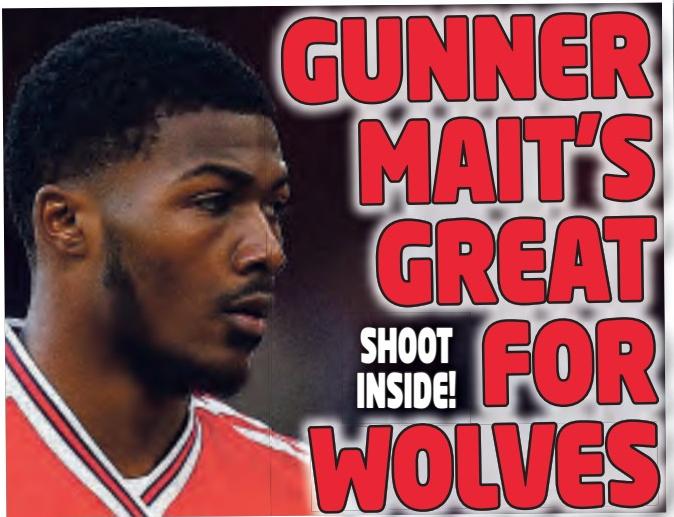

Swansea have had a few members of that victorious squad on loan in recent months.

Liverpool sent Rhian Brewster their way and the Swans are trying to get hitman back for another campaign.

**LUIS SUAREZ COULD

The former Liverpool hit-man is available on a FREE transfer after new Barca boss Ronald Koeman decided his days at the Nou Camp are over.

Already another former club in Ajax have thrown

By JOHN ANTHONY

their hat into the ring to sign the Uruguayan hitman.

But the 33-year-old is not interested in moving to Amsterdam.

But he would 100% love to have one more season at Liverpool.

He starred for the Anfield giants in a sensational

30-month period from 2011 to 2014, almost delivering an unlikely title win on his own.

Because Barca are willing to pay up the final year of his contract, Suárez's wage demands wouldn't be off the scale.

Normally Kop boss Jurgen Klopp would not look at a player of that age but he

could make an exception if the finances are right.

And Liverpool may need more firepower up front with Divock Origi set to leave Anfield.

Aston Villa and Leeds are interested in signing the Belgian who made 42 appearances for the Reds last season and will need to be replaced.
